

211.9105 Powers and responsibilities of Radon Program Advisory Committee.

The committee shall:

- (1) Advise the cabinet with the review, development, and maintenance of standard operating procedures for radon measurement, radon mitigation, laboratory analysis, and quality control;
- (2) Advise the cabinet with preparing an annual budget for the use of moneys received by the cabinet from the collection of fees and fines, receipt of grants, and all other radon-related activities;
- (3) Review and comment on relevant administrative regulations that are promulgated pursuant to KRS 211.9101 to 211.9135 and make recommendations to and otherwise advise the cabinet on these matters;
- (4) Record minutes of committee meetings and proceedings which shall be documented and maintained for the committee by the cabinet in a public forum;
- (5) Make recommendations to the cabinet provided that the final determination rests with the cabinet;
- (6) Hold the first meeting of the committee no later than October 1, 2011, to be convened by the commissioner; and
- (7) Perform any other duties and responsibilities relating to the topic of radon that may be assigned by the cabinet.

Effective: June 27, 2019

History: Amended 2019 Ky. Acts ch. 159, sec. 2, effective June 27, 2019. -- Created 2011 Ky. Acts ch. 74, sec. 3, effective June 8, 2011.
